(Most are 7 weeks long)

KPT (Kindergarten Puppy Training) For puppies 7-12 weeks old. Usually covers biting, housebreaking, leash breaking, etc. Normally done in private lessons only.

BEGINNERS: For pups and dogs 3 months old and up. Basic obedience and good manners, behavior problems and much more (Puppies must have at least 2 sets of shots & be somewhat used to walking on a leash first.)

CGC: Canine Good Citizen: For mixed or purebreds. 10 simple tests are given at the end of class. Qualifiers can get an official AKC certificate. www.akc.org

ADVANCE I: For people and dogs who have been through our Beginners class. Continue to build on the basics. Emphasis on focusing the dog's attention. Add competition style heeling, hand signals, and the poison trick. (There is a lot of new material in this class. It is common for people to take it more than once.)

NOVICE: (CD) First level of obedience competition. Perfecting your heeling, recall and finish off leash, all 3 stays off leash. Cover rules and regulations.

OPEN: (CDX) Competition style heeling continued, introduction to the force retrieve, add jumping, introduce the drop on recall, and continue to work on the basics.

UTILITY: (UD) The highest level of obedience competition. All off leash. Signals, scent discrimination, directed glove retrieve, moving stand, and directed jumping.

RALLY: Requirements: Our Beginners class. A fun obedience class where you are timed following the numbers around the ring and stopping at each sign to do the obedience exercise listed. Extra commands, signals, and body language are allowed. This is a new entry level titling class from AKC.

TRICK CLASS Requirements - Our Beginners class. Parlor tricks to amaze and entertain your friends. Treats are used; this is just for fun.

CONFORMATION (Breed Championships): Stacking and Gaiting. Discuss and practice patterns, proper ring procedure, and etiquette.
